

It is strongly recommended to use up-
dated **Chrome** and **Firefox** browsers.

To change the language, please click on the
Persian button on the first page. It will
change to English.

Please log-in as a **Guest** user without a
username or password. Also, please select
an acceptable name after log-in.

It is strongly recommended to use a
standard headset.

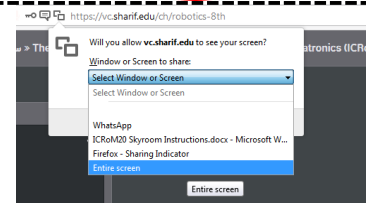

To have a better meeting, please connect the
room via a **desktop pc** (it is better to not use a
tablet or mobile during the meeting).

All participants must have **stable internet**
(please do not connect via data of cellphone).

Note that during the screen sharing, please
select the **entire screen** option.

All of the **presenters** have access to control
their microphone.
